

As we have continued to track developments concerning the coronavirus (COVID-19) both locally and globally, and after listening to the recommendations of the President of the United States, the Governor of Kentucky and the CDC, our Elders, through much prayer and discussion have decided to **cancel in-person gatherings for the week of March 22nd. This includes our Sunday gatherings and Wednesday gatherings.**

**We will still worship together.** On Sunday, March 22nd, we will post a video from our church Facebook page at 10am. We will spend time in prayer, song and have a message from God's Word.

These are unprecedented times. Our Elders are doing what they feel is in the best interest of our church family. They are attempting to care for and protect the flock, while practicing responsibility and being a loving neighbor.

Again, this is not fear. Our Elders are acting in faith. As challenged last week by Gordy, please have the right attitude in these circumstances. We know you want to gather. We want to gather. However, we believe that is not walking in wisdom. Plus, this gives us an opportunity to spend time in our homes as families and open God's Word together. Something that is missing across our country. God can use this for His good. We need to trust and be faithful.
